

PROMOTION

**Bring in
the New!**

We're offering a huge one-time **50% discount** on hardware and modules, when you upgrade End of Life (EOL) AG internet gateways to Nomadix EG models. Maintain customer SLA compliance with this fully-supported solution!

AG Models

**2300, 2400, 2500,
3000, 3100, 5000 and HSG**

when upgrading to an EG3000
with a 3 year license

AG Models

**5500, 5600, 5800
and XG8000**

when upgrading to an EG6000
with a 3-year license

Access to updated features

including firewall,
telephony, enhanced portals,
and future roadmap
enhancements

When the following criteria are met:

- Offer expires on **December 31, 2024**
- Any licence value remaining on the EOL AG unit being replaced will be credited towards the new EG model
- Normal pricing applies to replacement gateway licenses
- NSE ID for the old AG model must be provided. Once the EG is active, the AG must be disabled, with no need to return to Nomadix. It may not be used for another site
- Utilize Nomadix Special Price (NSP) #828
